Aims & Scope

Current Dentistry is a peer-reviewed, interdisciplinary journal that publishes original research, expert reviews, and thematic issues covering all areas of dental, oral, and craniofacial sciences, including biological, clinical, materials engineering, and bioengineering aspects of dental research.

The journal is of interest to researchers in dental, oral, hard-tissue, and craniofacial science. Topics covered in this interdisciplinary journal include:
Cosmetic Dentistry, Dental Biomaterials Science, Dental Hygiene, Dental Implants, Endodontology, Fixed and Removable Prosthodontics, Geriatric Dentistry, Management of Dental Diseases, Maxillofacial Surgery, Operative Dentistry, Oral Medicine, Oral Pathology, Pediatric Dentistry, Periodontology, Restorative Dentistry

Current Dentistry is an international, peer-reviewed journal on all aspects of dentistry published continuously (print & online) by Bentham Science Publishers.
